BENGALURU – Calling all golf enthusiasts and curious beginners—Bengaluru just got its very own cutting-edge indoor golf center! Golfer's Edge Bengaluru (GEB), nestled in the heart of the city, is here to revolutionize the way you experience golf. With a state-of-the-art 4K virtual simulator, a cozy café, and a curated golf merchandise store, GEB combines sport, leisure, and community under one roof. Whether you're an experienced golfer looking to perfect your swing or a curious first-timer, GEB's fully air-conditioned facility lets you play and learn all year round. And here's the best part—golf is now more affordable, accessible, and fun than ever before!

At GEB, you can dive into the ultimate virtual golf experience with an ultra-realistic simulator that replicates a real driving range, giving you access to over 150,000 iconic golf courses worldwide,

including St. Andrews, Pebble Beach, and Augusta National. Enhance your game with advanced swing tracking and live analysis, or mix things up with exciting twists like Footie Golf, Golf Bowling, Galaxy Golf, and Golf Darts for some friendly competition. Even if you're new to golf, GEB has you covered with premium equipment provided at no extra cost, ensuring a hassle-free and enjoyable learning experience.

At GEB, everyone can learn, practice, and play, no matter their age! Kids and teens (ages 7–14) can enjoy individual or group coaching sessions and exciting summer camps, while adults benefit from personalized and group lessons with licensed coaches, designed to fit their schedules. Looking to host a special event? GEB's venue is perfect for corporate team outings, small parties, or even a refreshing work-from-anywhere experience with free Wi-Fi and cozy workstations.

A Vision for Bengaluru's Golfing Future

Golfer's Edge Bengaluru is brought to you by TeeTime Ventures (TTV), a Bengaluru-based pioneer in indoor golf and sports installations since 2014. With over 70 successful projects across India and Sri Lanka, including Golfer's Edge Chennai, GEB marks TTV's second company-owned center.

Co-founders Bharath Arvind and Hari Natarajan share a bold vision: "Bengaluru is a sports-obsessed city, and golf is gaining momentum as one of India's fastest-growing sports," says Hari. "With GEB, we're making golf more inclusive, enjoyable, and accessible for everyone."

Bharath adds, "We've created a space where anyone can feel at home. Whether it's your first time holding a club or you're a seasoned player, GEB promises an experience that's both entertaining and approachable. Who knows? The next golfing champion could begin their journey right here in Bengaluru!"
